Power Division Regulatory Compliance Specialist, VACANCY

Dear Hydro Professional:

South Feather Water and Power Agency (SFWPA) will be filling a Regulatory Compliance Specialist position in June 2019.

If you are tired of long commutes, congested communities, and work shifts that demand your presence when the rest of your family wants to recreate, consider joining our team at SFWPA. Oroville is located in the southeastern portion of Butte County along the eastern edge of the Sacramento Valley. It is the gateway to the Feather River Canyon and the Lake Oroville State Recreation Area. Lake Oroville offers fishing, house boating, swimming, picnicking, water skiing and jet skiing. The area also provides excellent hunting and golf, as well as mountain bike, equestrian, and hiking trails. It is definitely a place you can live, work and play all in the same day.

SFWPA's wage rates and benefits are very competitive, and include CalPERS retirement.

To learn more about South Feather Water and Power Agency, the Oroville area in general, and the position being recruited, please visit the Agency's website (<http://southfeather.com/jobs/reg-compl-specialist/>). If you are interested in being considered for the position, please follow the instructions provided there.

Submit questions you may have, or requests for additional information you may need to prepare your application, by way of the contact information provided on the website.

Sincerely,
South Feather Water and Power Agency

Rath Moseley, General Manager
