Re: SFWPA 2021 Fiscal Budget SFPP

Dear NYWD Board Directors and Management:

South Feather Water and Power Agency respectfully invites you to participate in the preparation and review of the 2021 South Fork Power Project Budget. As a key contractual partner with South Feather it would be beneficial to have you participate in the budget process specific to the Joint Facilities Operating Fund.

Upon confirmation of participation, a collective date/time can be established.

Please respond at by phone or at the e-mail listed above if you are able to participate in the 2021 JFOF Budget review.

I am happy to answer any questions you may have in terms of process for the 2021 South Fork Power Project JFOF budget prior to a mutually agreed meeting date.

Sincerely,
South Feather Water and Power Agency
