Re: South Feather Water & Power Agency 2021 South Fork Power Project Budget

Dear Mr. Moseley:

Thank you for your invitation extended to the North Yuba Water District ("District") to participate in South Feather Water & Power Agency's ("South Feather") 2021 South Fork Power Project Budget process. At this time, the District respectfully declines your invitation. As you may be aware, the District is currently auditing the Joint Facilities Operating Fund. Until the audit is complete, the District is hesitant to participate in South Feather's budget process, as the District currently does not have enough information to meaningfully participate in such process.

Once the District's audit is complete, the District looks forward to meaningful budget discussions regarding the Joint Facilities Operating Fund.

Best regards,

Jeff Maupin
General Manager
