Re: SFWPA Power Purchase Agreement Status With PG&E

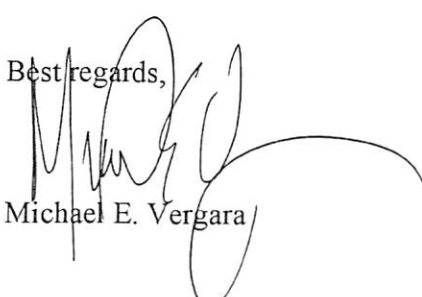

Dear Rath:

This letter responds to your letter to Jeff Maupin dated June 28, 2021, regarding the above referenced matter. North Yuba Water District (NYWD) welcomes the opportunity to meet with South Feather Water and Power Agency (SFWPA) staff to discuss strategy for maximizing the value of the South Fork Power Project.

Before we can schedule the meeting, however, we need an unredacted copy of the current Power Purchase Agreement (PPA) between SFWPA and PG&E so our consultant can review it in preparation for the meeting. In advance of the meeting, we also request copies of all other documents SFWPA intends to rely on as part of the negotiations with PG&E. I believe NYWD is entitled to these documents under the terms of the 2005 agreement between NYWD and SFWPA, but if you are uncertain, please treat this request for the identified documents as a Public Records Act request.

We await your response.

Best regards,

Michael E. Vergara
