Re: 2022 Quarter One SFPP

Dear Mr. Maupin:

SFWPA has completed the first quarter of fiscal year 2022 under the new power purchase agreement with Northern California Power Agency.

As a result, South Feather would like to meet with NYWD to share quarter one results and what is anticipated for quarter two as it pertains to the south fork power project.

Please interface with your board on suggested dates for an overview presented by the agency.

Sincerely,
South Feather Water and Power Agency
